

WICKED TWISTED MUSTARDS

The Wicked Twisted Story

We pride ourselves on making the best hand twisted soft pretzels in the world. In our travels around the globe we've also tried every mustard and this is one of our favorites! This twisted condiment will truly tantalize your taste buds. This versatile mustard is a marvelous meat marinade and excellent glaze, wake up your sandwiches, sensationalize your salads, use as a dip with zip, and of course on Wicked Twisted Pretzels! This mustard's unique taste is based on a family recipe from the late 1800s. It is made with choice ingredients, has no artificial preservatives, and is best stirred before use. You can choose a different variety for each day of the week. We think you'll agree this is the best mustard you've ever had!
